Dear Mr. Lopez:

Congratulations on your recent recognition by Hispanic Business Magazine for heading up one of our country's largest Hispanic-owned companies.

Your achievements reflect an impressive and growing force in our economy: Hispanic entrepreneurs owning and managing some of the most dynamic companies in the country. As a member of the Senate Committee on Banking, Housing, and Urban Affairs and as Co-Chair of the Senate Democratic Hispanic Task Force, I have fought to increase access to capital and have promoted other federal initiatives aimed at unlocking the full potential of the Latino business community. The experiences and insights you have developed through the successful management of your company are ones I can certainly learn from as I explore new ways for the federal government to assist Hispanic business owners.

I wish you much continued success in your business. Please feel free to call on me should you have plans to be in Washington or if I can be of assistance in any way. Once again, please accept my warmest wishes and congratulations.

Sincerely,

ROBERT MENENDEZ
